WESTON CITY COUNCIL MEETING MINUTES  
WEDNESDAY, APRIL 14 2021  
7:00 P.M.  
18 S CENTER WESTON, IDAHO

MAYOR: GREG GARNER

COUNCIL: RYAN BECKSTEAD, SCOTT VAHSHOLTZ, TRAVIS JOHNSON, SARAH LAYLAND

CLERK: SHARON KROPF

This was a workshop meeting with the council to discuss ways to spend the rest of the water project money. The council looked at recommendations from Sunrise Engineering and Glen Kirkbride and decided to build a new PRV station, relocate the existing generator to the wells, surface restoration of the fire hydrants, add survey monuments to the town, and complete a new section of pipe between 4<sup>th</sup> East and 3<sup>rd</sup> South and Depot Street with 8" pipe and another between 2<sup>nd</sup> E and 1<sup>st</sup> S and 2<sup>nd</sup> South with 6" pipe that will help loop the water system and create better pressures in parts of the town.

Travis also mentioned adding more valves since we will have everything dug up to lay the pipe.

Travis is still working on the subdivision ordinance and is probably just going to modify a few things instead of completely re-doing it.

The meeting finished about 7:45 p.m.
