WESTON CITY COUNCIL MEETING MINUTES
THURSDAY, FEBRUARY 18, 2021
6:00 P.M.
2005 N 600 W SUITE C LOGAN, UTAH

MAYOR: GREG GARNER
COUNCIL: TRAVIS JOHNSON, RYAN BECKSTEAD, SARAH LAYLAND
CLERK: SHARON KROPF

This was a Zoom meeting with Shannon Ellsworth from Sunrise Engineering to go through ordinances to codify them. Talked about the following:

-right to agriculture ordinance

-building and development: when it's okay to live in a dwelling not on a permanent foundation, having our attorney advise us on civil violations vs. criminal violations and penalties, for property violations if fines could be assessed to property taxes, major vs. minor subdivisions, zoning, when do subdivision plans expire, adding sidewalk requirements to building permits, possibly talking to Steven Wood about creating a Weston building practices guidebook.

Travis will go through the major and minor subdivision ordinance that Smithfield has and see what could be adapted to use in our subdivision ordinance.

Shannon will keep working on codifying and we will try to meet again sometime next month.

The meeting adjourned at 8:00 p.m.
